#### ***Reason for Allowance***

Claim 17 is allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious a series of two or more curved portions curving in alternating directions, each having an n-doped region adjacent the outer side of the curved portions and a p-doped region of the inner side thereof so as to form a series of diodes of alternating polarity along the length of the waveguide in combination with the rest of the limitations of the base claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
